

Dear Partner,

Details of the renovation works carried out in our facility Aqua Fantasy Aquapark Hotel & Spa in 2023 are presented to you below.

1. ACCOMMODATION

THE FOLLOWING RENOVATIONS HAVE BEEN MADE IN ALL OF OUR 489 ROOMS.

- All of the carpets have been replaced with ceramic/laminate flooring.
- The wallpaper in the rooms were removed and a fresh color paint was applied.
- All of the furniture in our rooms has been renewed.
- Furnishings, linens, beds and bases were renewed.
- Sofas in our “Family Rooms with Separation” have been replaced with 90*180 cm beds.
- The bathtubs in the bathrooms were removed and renewed with a modern shower.
- All fixtures in the bathroom were renewed.
- Electronic key system (DND and Cleaning Cards have been removed and electronic system has been adopted.)
- All doors in the rooms have been renewed according to the new fire regulations.

2. GENERAL AREAS

- Main Restaurant tables and chairs were renewed.
- The Lobby areas floorings were renewed.
- The Spa Center was partially renovated.

3. SUSTAINABLE TOURISM

- 15% of our electricity consumption was generated from solar energy in 2022, this rate will increase to 35% in 2023..
