Eat & Drink

We embrace the Mediterranean diet not just a culinary mode but as a lifestyle. Fresh, regional ingredients define our simple and modern approach in the kitchen. Reflecting the belief that we are what we eat, our confident cuisine aims to physically energize, appeal to the senses, and nourish the soul.

Pool & Beach

White City Beach sets on coast line at one of the very rare locations on Alanya offering exotic Mediterranean views across the sea, horizons of blue mix with yellows. Contemplative solitude on a sunbed or wooden cabana, our coastline is welcoming place where time relents.

Turkish Bath & SPA

The White Sense Spa gives our guest's a chance to relax and revitalize their body and mind with aromatic herb and essences. It offers a wide range of soothing treatments and therapies, including couple's massage and invigorating body wraps.
