Set along Bodrum's gently curving coastline, where golden sands meet the sparkling Aegean Sea, Casa Nonna Bodrum is surrounded by fragrant Mediterranean gardens. Inspired by modern classics, the hotel's architecture blends contemporary comfort with timeless elegance.

The rooms reflect a refined Mediterranean aesthetic, drawing inspiration from the deep blues of the sea and sky and the lush greenery of the gardens. MEDITERRANEAN FLAVORS

At Casa Nonna Bodrum, fresh, high-quality ingredients cultivated from our own fields come together with the creativity of our chefs to create unforgettable flavors. Paired with the stunning setting of Après, each dish becomes part of a sensory dining experience.

Set against panoramic views of the Aegean Sea, the restaurant provides an elegant setting for both romantic dinners and relaxed gatherings.

APRÈS - As you step into APRÈS the day softens around you. The sea glimmers in the distance, the warmth of sun and salt still lingers on your skin, and the table slowly comes alive. Plates arrive for sharing, flavors move easily across the table, glasses are poured, and music hums quietly in the background as conversation stretches and time loosens its grip. Nothing here is rushed. This is the Mediterranean spirit: eating well, drinking well, living well. You are not quite at the beach anymore and not yet in the night. You are somewhere in between. The day hasn't ended. It has simply evolved.

After the sea.

After the sun.

After the salt.
