Spice Hotel & SPA welcomes you in the mysterious world that makes you feel the magic of dazzling beauty of Mediterranean.

The Hotel is situated on a spectacular beach in 270 m. The hotel is only 2 km to Belek city center, 40 km to Antalya city center, and 35 km Antalya International Airport.

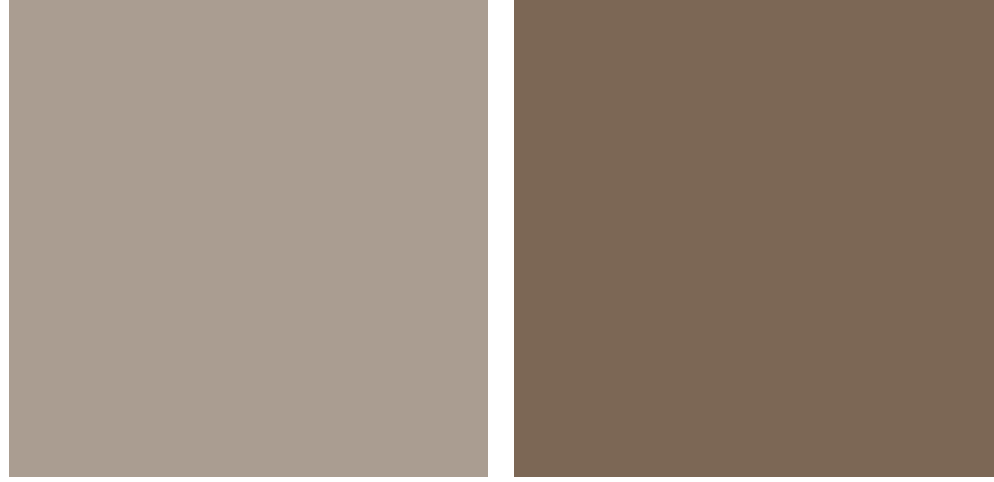

We suggest you to visit ENAR SPA center to have an opportunity to rejuvenate both your body and your spirit. Incorporating the latest scientific developments, European effective therapies, intense and highly potent therapies blended with eastern philosophy and Ayurveda influence, our Spa center is a relaxing, healing and beauty place. Our team is composed of Spa professionals, carefully selected from all around the world, who are highly skilled and have trained in ESPA, to deliver the best results possible for each therapy. The deep blue waves of the Mediterranean will accompany you while you are enjoying our colorful facility.

Spice will not be only reflections of your expectations but also will be an inspiring and magic place for your dreams.

Belek has been entitled to many awards for eco-friendly developments and has countless rare plant species and natural wild life.

Golf players, swimmers and sun lovers would not want to miss this modern holiday paradise.
