As Kirman Hotels group, the health of our esteemed guests is very important to us. Our priority is to offer you a holiday opportunity where you can feel safe hygienically. To do this, we would like to briefly tell you about the hygiene and cleaning measures that we have increased to prepare for them due to the Covid-19 pandemic and other possible epidemic risks that may occur.

- All guest rooms, restaurants, bars, spa and wellness units, playgrounds, common areas, meeting rooms and all other guest areas and kitchen areas, personal use areas, offices and warehouses are thoroughly disinfected by us.

- Disinfection works carried out by professional teams continue periodically.

- In addition, specially trained staff consisting of hotel staff constantly conducts disinfection.

- in all our general areas, in toilets and at every point where they are needed, there are devices and devices for hand disinfection, and their observation is carried out carefully

- The use of our elevators is limited. At the same time, the elevator can be used either by members of the same family, or by guests unfamiliar with each other, maximum 2 people.

- The seating groups in all common areas and general spaces were arranged according to social distance

- it is obligatory for our employees to wear masks/ visors within the hotel during working hours

- Due to Covid-19 measures, our indoor game room, hookah and indoor pool will not be able to serve and will be closed

- Our guests can access information about factsheet, online check-in, which health institutions we control and Covid precautions through their mobile phones via QR square codes on the billboards installed in the hotel area.

- Guests requests and complaints are made through Kirman Application and directly reaches the management staff.

CHECK IN:

- Online registration of our guests is carried out through the Kirman Hotels application using a QR code

- After check in, guests are provided with disinfected bracelets and keys in separate packages.

- Baggage is disinfected and the body temperature of guests is measured are made during check in.

ROOMS:

- Key cards are disinfected every day and packaged for personal use.
- The minibar is daily disinfected, replenished with soft drinks and labeled.
- Central Air-condition works according to the climate conditions. Air circulation is provided continuously with fresh air from outside.
- Daily room cleaning and disinfection is done with specified color-coded and disposable cleaning products.
- All towels are individually packed in the room, all disposable products in the bath and room are prepared and disinfected personally.

F&B:

- Self service is not possible in all of our bars and restaurants due to precautions. Our waiter and service staff serve our guests tables.
- Based on the wishes of our guests table reservation is made free of charge by the guest relation staff at our main restaurant during the hours (opening and closing hours) they have determined. Based on the wishes of our guests the same table can be allocated to them throughout the holiday.
- Due to Covid measures, meals are served to our guests plates by our chefs at our open buffets.
- The menu of all A'la Carte restaurants and bars is available through the Kirman application or in the guest relation department.
- Every four hours, all bars are suspended for several minutes for complete disinfection. Between 00: 00-08: 00, a thorough cleaning, disinfection of all sticks and preparation for morning service are made.

Other information that you can get in the Kirman application:

- **Satisfaction form**
- **All animations activities can be followed via Kirman application, reminder feature can set reminders before the program**
- **Menu of all bars and A la Carte restaurants**
- **A la Carte Reservation**
