### **Space Camp**

They will be mesmerized by the magic of the heavens at the brand-new 'Space Camp' academy where they will unlock the gates to the infinity of the universe as they explore the stories of stellar objects in the sky.

### **Wood & Ceramic Workshop**

Rixy Kids Club gives little ones an art journey. Children will be able to express themselves freely by designing their own pieces of art in the ceramic and wood workshops. As they have fun in these workshops, they will gain the ability to express themselves and experience the happiness of using their imaginations.

### **Junior Chef Academy**

Little chefs in the kitchen!

Our little ones will learn as well as develop a healthy and tasteful eating habit as they have a fun journey to the world cuisine, led by the executive chefs of Rixos Premium Tekirova.

### **Dance Academy**

Our little guests will learn to express themselves by dancing.

This workshop will enable them to establish a link between dance and fun. Children will learn to think creatively with the help of this workshop based on improvisation principles, and will increase their physical skills by developing their mind and body coordination.

What happens in the end? You will be amazed with the dances of our little guests anytime, anywhere during your holiday.

### **RIXY AQUA**

Rixy Aqua Park is for children offering four fun slides and a lazy river; all the thrill of the aqua park perfectly sized for our little guests.

### **PARTIES**

Kids will continue to be our happiest guests in 2022.

Our **“Let’s Party”** and **“Teenage Party”** events are open to children only and have different concepts for two age groups. But no matter which event they attend, each child is guaranteed maximum fun and a sense that they are special...

### **RIXY FARM**

In Rixos Premium Tekirova, a new space has been created where our little guests will be friends with nature. We created the Rixy Farm for them. The seasonal fruit and vegetables grown in this mini-farm, which is established by taking the ecological balance into consideration, and freshly picked by our little ones with their own hands will add flavor to their families' tables.
